Update on Ellis Gardens – The Chair reported there is still no conclusion with this item. There have been discussions with RBC, with the commuted sum still being calculated. A meeting still needs to take place with the three parties (Lioncourt, RBC and the PC) to review the areas of concern – the pond, the boundary, failing trees and the play area.</li> <li>III. Update on Defibrillator Training – The Chair reported that Veronica Carter (VC) has offered to deliver some training sessions free of charge. 6	NPC24/05/0093	Suspension of Standing/ Orders in order to let the Public raise any issues of concern:	

		<ul> <li>A member of the public mentioned that items such as a skip and portable toilet were still located at Ellis Gardens after the recent road / pavement repairs, and it was suggested that they contact Lioncourt.</li> <li>A member of the public mentioned that it was difficult to walk along the footpath between the church and the gate. 7	NPC24/05/0094	today.  As there were no further issues raised by the public, the Standing Orders were resumed.	
8	NPC24/05/0095	<ul> <li>Neighbourhood Plan (NP)</li> <li>I. General Update - The Chair reported that the work is progressing well, with the open event planned for Sunday 14<sup>th</sup> July. The public need to be engaged and a leaflet will be distributed ahead of the event. Representatives from Coton are playing an active role on the committee.</li> </ul>	All
9	NPC24/05/0096	Clerk's annual incremental rise from SCP 19 to SCP 20 – This was noted by the Council and the rise was effective from 1 <sup>st</sup> April 2024.	
10	NPC24/05/0097	Consider the 'Review of Insurance' paper and approve one provider – The Chair reported that it was good practice to receive alternative quotes, which the PC aim to do every three years minimum. A paper has already been circulated to Cllrs detailing 4 x insurance proposals. Two were excluded as they came in over budget. The remaining two were with the same insurance company, but one quote was for an online policy suitable for PCs with precepts of less than £30k. Cllrs discussed the merits of each but decided that the PC could exceed this precept in the next three years, therefore it would be false economy. The PC resolved to APPROVE renewing the existing policy with Zurich (£505.95) and will review again in three years, or if a quote is significantly increased / over budget. The Clerk will make the necessary arrangements.	RB
11	NPC24/05/0098	Preparations for Annual Governance Accountability Return (AGAR) – The Clerk reported that the next meeting of the PC in June will be very important as the AGAR will need to be approved and signed, with a very tight turnaround to then submit all documents to the External Auditor. The Internal Audit is being completed tomorrow, 17 <sup>th</sup> May, so the report from this will also be reviewed. The Clerk will circulate a full accounting pack and audit documentation ahead of the next meeting.	RB
12	NPC24/05/0099	To note planning applications received and PC response to consultations:  1. R24/0096 at 22 WATLING CRESCENT, NEWTON RUGBY, CV23 0AH for Construction of new rear dormer.  The PC agreed a 'no comments' response to RBC and the Clerk will submit this ahead of the consultation deadline.	RB
